

c And the others?

Think of a holiday activity or holiday trip. Then make up a question like 'Are you going to Ireland in the holidays?' or 'Are you going skiing in the holidays?'

Now ask the other students in the class.

How many students answer with:

Yes, I am.

No, I'm not.

Perhaps. I'm not sure.

When the other students ask you, you can answer like this, too.

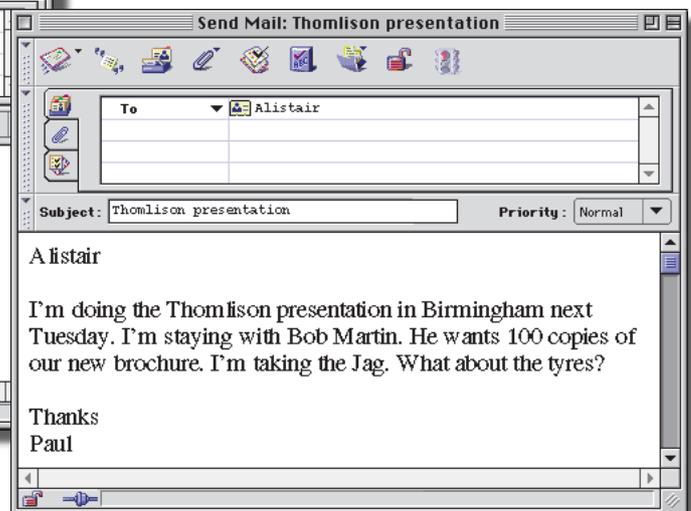

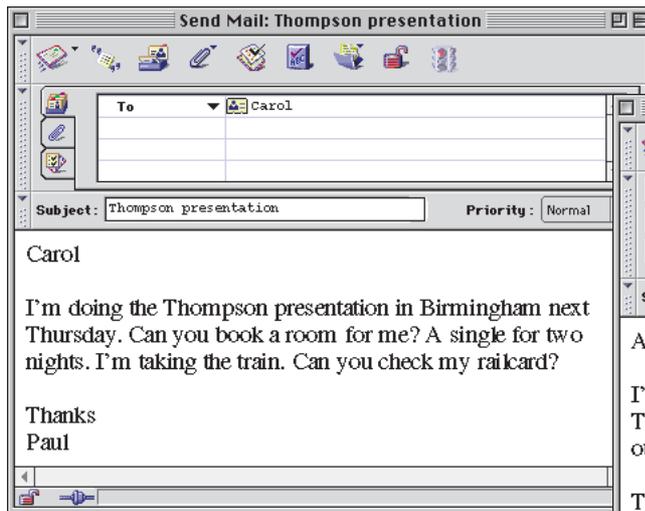

5 Checking arrangements

In many offices colleagues don't phone anymore. They send e-mails. Have you got an e-mail address at work or at home?

- a** Look at these two e-mails from Paul to his colleagues Carol and Alistair. They all work in the same office. There are four important differences. Can you find them?

First compare with a partner and then look at Paul's diary on **page 157** to check his original plans.

- b** What is Paul doing next week?
