

isoliert	am Ende	in der Mitte	am Anfang
ج	جـ	ـجـ	جـ

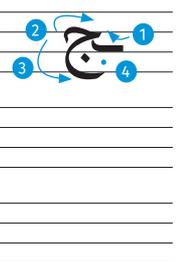

1. Üben Sie, ǧīm (ǧ) in der Anfangsform zu schreiben.

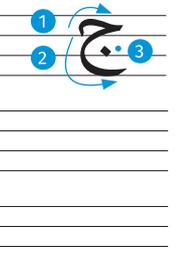

2. Üben Sie, ǧīm (ǧ) in der Mittelform zu schreiben.

3. Üben Sie, ǧīm (ǧ) in der Endform zu schreiben.

4. Üben Sie, ǧīm (ǧ) in der isolierten Form zu schreiben.

isoliert	am Ende	in der Mitte	am Anfang
ṭ	ṭ	ṭ	ṭ

1. Üben Sie, ṭā' (ṭ) in der Anfangsform zu schreiben.

Handwriting practice lines for the initial form of ṭā' (ṭ). The diagram shows a vertical stroke (1) and a curved stroke (2) starting from the top of the vertical stroke, curving to the right and then down.

2. Üben Sie, ṭā' (ṭ) in der Mittelform zu schreiben.

Handwriting practice lines for the middle form of ṭā' (ṭ). The diagram shows a horizontal stroke (1) and a vertical stroke (2) starting from the middle of the horizontal stroke and going up.

3. Üben Sie, ṭā' (ṭ) in der Endform zu schreiben.

Handwriting practice lines for the final form of ṭā' (ṭ). The diagram shows a horizontal stroke (1) and a vertical stroke (2) starting from the middle of the horizontal stroke and going up, with a small hook at the end of the horizontal stroke.

4. Üben Sie, ṭā' (ṭ) in der isolierten Form zu schreiben.

Handwriting practice lines for the isolated form of ṭā' (ṭ). The diagram shows a vertical stroke (1) and a curved stroke (2) starting from the top of the vertical stroke, curving to the right and then down.

isoliert	am Ende	in der Mitte	am Anfang
ع	عـ	عـ	عـ

1. Üben Sie, ʿayn (ع) in der Anfangsform zu schreiben.

Handwriting practice lines for the initial form of ʿayn (ع). The first line shows a diagram of the letter with stroke order: 1. a counter-clockwise curve from the top right to the middle, 2. a horizontal line from the middle to the left. Below are several blank lines for practice.

2. Üben Sie, ʿayn (ع) in der Mittelform zu schreiben.

Handwriting practice lines for the middle form of ʿayn (ع). The first line shows a diagram of the letter with stroke order: 1. a horizontal line from right to left, 2. a counter-clockwise curve from the left end of the horizontal line to the middle. Below are several blank lines for practice.

3. Üben Sie, ʿayn (ع) in der Endform zu schreiben.

Handwriting practice lines for the final form of ʿayn (ع). The first line shows a diagram of the letter with stroke order: 1. a counter-clockwise curve from the top right to the middle, 2. a horizontal line from the middle to the left, 3. a counter-clockwise curve from the left end of the horizontal line to the middle. Below are several blank lines for practice.

4. Üben Sie, ʿayn (ع) in der isolierten Form zu schreiben.

Handwriting practice lines for the isolated form of ʿayn (ع). The first line shows a diagram of the letter with stroke order: 1. a counter-clockwise curve from the top right to the middle, 2. a horizontal line from the middle to the left. Below are several blank lines for practice.

isoliert	am Ende	in der Mitte	am Anfang
ق	ق	ق	ق

1. Üben Sie, qāf (q) in der Anfangsform zu schreiben.

Handwriting practice lines for the initial form of qāf (q).

2. Üben Sie, qāf (q) in der Mittelform zu schreiben.

Handwriting practice lines for the middle form of qāf (q).

3. Üben Sie, qāf (q) in der Endform zu schreiben.

Handwriting practice lines for the final form of qāf (q).

4. Üben Sie, qāf (q) in der isolierten Form zu schreiben.

Handwriting practice lines for the isolated form of qāf (q).

isoliert	am Ende	in der Mitte	am Anfang
ه	ح	ح	ح

1. Üben Sie, hā' (h) in der Anfangsform zu schreiben.

Handwriting practice lines for the initial form of hā' (ح). The diagram shows a horizontal line with a blue arrow labeled '1' pointing right from the left end to the top of a vertical stroke. A second blue arrow labeled '2' points left from the top of the vertical stroke to the right end of the horizontal line. A third blue arrow labeled '3' points down from the top of the vertical stroke to the bottom of the horizontal line.

2. Üben Sie, hā' (h) in der Mittelform zu schreiben.

Handwriting practice lines for the middle form of hā' (ح). The diagram shows a horizontal line with a blue arrow labeled '1' pointing right from the left end to the top of a vertical stroke. A second blue arrow labeled '2' points left from the top of the vertical stroke to the right end of the horizontal line. A third blue arrow labeled '3' points down from the top of the vertical stroke to the bottom of the horizontal line.

3. Üben Sie, hā' (h) in der Endform zu schreiben.

Handwriting practice lines for the final form of hā' (ح). The diagram shows a horizontal line with a blue arrow labeled '1' pointing right from the left end to the top of a vertical stroke. A second blue arrow labeled '2' points left from the top of the vertical stroke to the right end of the horizontal line.

4. Üben Sie, hā' (h) in der isolierten Form zu schreiben.

Handwriting practice lines for the isolated form of hā' (ه). The diagram shows a horizontal line with a blue arrow labeled '1' pointing right from the left end to the top of a vertical stroke.
