

Registration at BlinkLearning as a learner

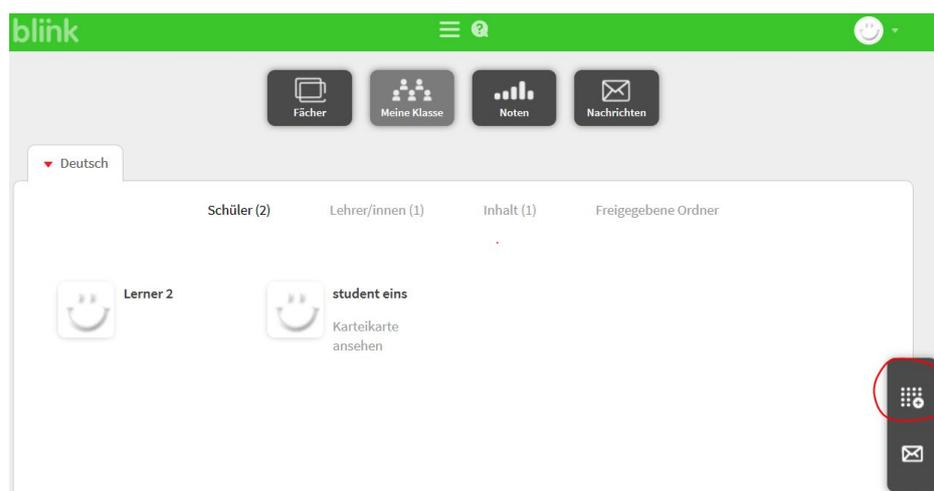

Should you not yet have an account with BlinkLearning and are participating in a course:

1. If you don't yet have a BlinkLearning account, go to www.blinklearning.com/login?blinklang=EN and click on "register".
2. Fill in the registration form as a student and enter the **class code** sent to you by your course.

The image shows a 'Login to Blink' modal window with a 'Create a user account' form. The form includes the following fields: 'Class/Book Code', 'Email (username)', 'Name', 'Surname', and 'Password'. A 'Register' button is located below the password field. At the bottom, there is a checkbox labeled 'I have read and accept the data protection policy' which is currently unchecked. A yellow highlight is visible on the checkbox.

3. Wait until your teacher confirms your participation in their class.
4. Choose under "My class" and "Content" the book you are using in class.

5. Choose the option "Add book code. **Only now enter the code purchased with the book.**
6. You now have access to the digital edition for the licensed period.

If you are not participating in a course:

1. If you don't yet have a BlinkLearning account, go to www.blinklearning.com/login?blinklang=EN and click on "register".
2. Fill in the registration form as a student and enter the purchased code.
3. You now have access to the digital edition for the licensed period.
