

1 Words that go together: the senses

In Unit 9 you looked at senses, moods and feelings. Complete the table below and describe the things below with the verb next to them and a suitable adjective from the list.

tasty • nice • relaxing • soft • loud • strong • spicy • interesting

Thing	Verb	Adjective
The food	smells	_____
The apple	tastes	_____
The massage	is	_____
The towel	feels	_____
The bell	is	_____
The beer	looks	_____
The curry	tastes	_____
The book	sounds	_____

2 Writing: adjectives and adverbs

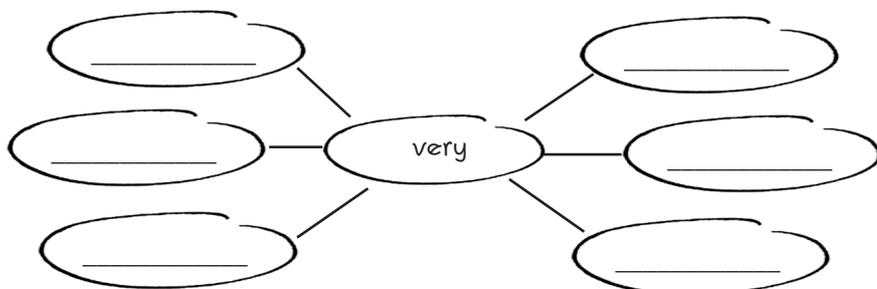

In Unit 9 you also looked at adjectives and adverbs and when they are used in English (see the grammar explanation to Unit 9 on page 85 in the Student's Book). Now make sentences out of these situations and words, putting the adjectives and adverbs in the right form. Write your answers on a separate piece of paper.

1. down the road / he / walked / slow
2. She / look / wear / when / new dress / beautiful
3. the table / heavy / hard / pick up
4. regular / I / drive / work / be / careful / always
5. good chef / he / cooks / very /
6. not a good cook / very / he cooks
7. to the office / early
8. boss / friendly / to me / help / after
9. She / cook / meal / delicious / taste / good
10. after the medicine / quick / start / feel / better

3 Mind map: adverbs of degree

Below is a mind map for the word very. Fill in the spaces with the words you learnt in Unit 9 which mean the same, or almost the same, as very. (Student's Book page 84).

Now write three sentences replacing 'very' with one of these words from the mind map.

1. I had dinner with Sue. She's _____ nice.
2. The whole evening was _____ wonderful.
3. And the time seemed to go _____ fast.
