

1 Vocabulary: expressions with "time"

Based on your work with Unit 10, write short sentences or expressions with the word time using the expressions below.

time-saving • on time • pressed for time • a waste of time • in time

- 1. The train came when we expected it, so it was \_\_\_\_\_.
2. We arrived at the party just before it began, so we were \_\_\_\_\_.
3. We waited and waited and nothing happened, so it was \_\_\_\_\_.
4. I was late, so I was \_\_\_\_\_.
5. The microwave makes cooking faster, so it is \_\_\_\_\_.

2 If ...

In Unit 10 you looked at "if" - sentences and imaginary situations (see the grammar explanation on page 95 of the Student's Book). Write sentences about imaginary situations by connecting the correct or most suitable parts of the sentences to each other. The first one has been done for you.

- 1. If I were younger, a. we could help them.
2. If we were rich, b. if I were you.
3. He'd be amazed c. I would see a doctor.
4. You'd be shocked d. if he could see how big it is.
5. If I had caught the bus, e. if you knew the truth.
6. They might feel better f. I wouldn't have to walk.
7. If I were you, g. if they stopped drinking so much.
8. If we were with them now, h. I would do something different.
9. I'd at least try and do it i. we'd buy a new house.

3 Business situations

In Unit 10 you also looked at what to say in different business situations. Imagine you are at a business dinner in a restaurant with visitors from different countries. What do you say?

- 1. Welcome the visitors to the restaurant and make some small talk about their journey.

\_\_\_\_\_

- 2. You introduce the topic, future co-operation.

\_\_\_\_\_

- 3. You ask someone for their opinion.

\_\_\_\_\_

- 4. You agree with something which has been said and think it is a good idea.

\_\_\_\_\_

- 5. You disagree with someone. But perhaps you can come back to the topic later.

\_\_\_\_\_

- 6. You want to move on to another point.

\_\_\_\_\_

- 7. You thank the visitors for coming, hope they enjoyed their meal and make some comments about the future.

\_\_\_\_\_
